

US Court - DNH

FILED - USDC - NH  
2023 MAY 4 AM 11:00Woodham v. NH DEC 23-cv-202-XX  
(judge unknown)Motion to renew filing

I still need a prelin injunction to pop me out of maximum security prisoner status. By which I mean Super - maximum security, as in I'm in lockdown 23-24 hrs a day, can't go anywhere without shackles, I never go outside. I haven't touched anyone's penis lately so why could this possibly be? My inquiries to those directing my "care", or rather lack thereof, are ever fruitless.

Motion to X-file prelin injunctions (expedited)

The 1st priority of litigation is for me to obtain reasonable court access, most simply by allowing me <sup>limited</sup> ~~unrestricted~~ access to the LEXIS tablet.

Please see prior filings to this effect, in 20-cv-236, among others.
